**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Shareholder's and Board of Directors of GCMI Securities Corp.

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of GCMI Securities Corp. as of December 31, 2018, the related statements of income, changes in shareholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of GCMI Securities Corp. as of December 31, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of GCMI Securities Corp.'s management. My responsibility is to express an opinion on GCMI Securities Corp.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to GCMI Securities Corp. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**Supplemental Information**

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Brian W. Anson, CPA

I have served as GCMI Securities Corp.'s auditor since 2018.

See accompanying notes to financial statements

**GCMC Securities Corp.**  
**Notes to Financial Statements**  
**December 31, 2018**

**Note 1 - Organization and Nature of Business**

GCMC Securities Corp. (the "Company") was incorporated in the State of California on December 14, 2005 and is wholly owned by its parent Global Capital Markets, Inc. (the "Parent"). The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC"), the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

**Note 2 - Significant Accounting Policies**

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 and the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes** - The Company elected to be taxed as a qualified subchapter S subsidiary ("Q Sub") with its parent reporting as an S Corporation for Federal and California state income tax purposes.

As a Q Sub, the Company's asset, liability, income and expense items are treated as though they were owned, held or incurred by the Parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the Parent.

**ASC 606 Revenue Recognition**

**A. Significant accounting policy**

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfied a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

#### **B. Nature of services**

Per FINRA Form "Supplemental Statement of Income (SSOI)" the Company generates its revenue from investment banking fees; M&A advisory, which includes private placements.

#### **Note 3 - Changes in Accounting Policy**

The Company adopted Topic 606 "Revenue from Contracts with Customers" with a date of January 1, 2018. As a result, it has changed its accounting policy for revenue recognition as detailed below.

The Company applied Topic 606 using the cumulative effect method – i.e. by recognizing the cumulative effect of initially applying Topic 606 as an adjustment to the opening balance of equity at January 1, 2018. This was immaterial. Therefore, any prior reporting information has not been adjusted and continues to be reported under Topic 606. The details of the significant changes and quantitative impact of the changes are set out below.

Advisory services contracts for public and corporate finance activities may contain a variety of promised goods and services. The Company may be engaged to assist its client may promise due diligence services, pre-transaction structuring advice, fairness opinions and finding prospective buyers. The Company will need to determine whether each promised good or service is capable as being distinct and distinct in the context of the contract because they are an input to the combined output of selling the business. The Company will apply significant judgement to identify the performance obligations and different conclusions may be reached based upon the specific terms and conditions of the contract. Many contracts contain variable considerations (e.g. success fees). The amount of variable consideration the Company can include will be limited to the amount for which it is probable that a significant revenue reversal will not occur when the uncertainties related to the variability are resolved. The Company will recognize the consideration allocated to specific performance obligations when, or as, those performance obligations are satisfied. Success fees would not be recognized until the performance obligation has been satisfied (such as the close of sale).

Retainers are held by the Parent and not shared with the Company inasmuch as they typically are less than related project preparation costs.

Due to the nature of the Company's business, the size of any one transaction may be significant to the Company's operations for the period.

#### **Note 4 - Fair Value**

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

#### **Note 5 - Related Party**

GCMi Securities Corp. and its Parent have entered into an expense sharing agreement whereby the Company agrees to pay the Parent \$1,000 per month for tax and office expenses including rent. During the year ending December 31, 2018 the Company paid its Parent \$12,000.

A negotiated percentage, about 75 percent, of the fees generated from the successful completion of each project are paid to registered representatives of the Company, albeit prior to June 2018 such payments were made to the Parent and in turn then paid to such registered representatives. During the year ending December 31, 2018, such payments to the Parent aggregated \$1,220,000.

It is possible that the terms of certain of the related party transactions are not the same as those that would result from transactions among wholly unrelated parties.

#### **Note 6 - Concentration of Credit Risk**

The Company is engaged in various activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

#### **Note 7 - Net Capital Requirement**

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2018, the Company had net capital of \$108,480 which was \$103,480 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0 to 1.

#### **Note 8 - Income Taxes**

As discussed in Note 2 - Significant Accounting Policies, the Company elected to be taxed as a Q Sub with its parent reporting as an S Corporation for Federal and California state income tax purposes. As a Q Sub, the Company's asset, liability, income and expense items are treated as

though they were owned, held or incurred by the Parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the Parent.

**Note 9 - Exemption from the SEC Rule 15c3-3**

Rule 15c3-3(k)(2)(i) provides an exemption from the SEC's so-called "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the Company.

**Note 9 - Subsequent Events**

Management has reviewed the results of operations for the period of time from its year-end December 31, 2018 through January 9, 2019, the date the financial statements were available to be issued and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

**GCMC Securities Corp**  
**Schedule I - Computation of Net Capital Requirements**  
**Pursuant to Rule 15c3-1**  
**December 31, 2018**
